

Iron Workers Local 112 Selected Apprentice Applicant Requirements

Applicants selected and placed into the program must be able to furnish their own transportation, purchase textbooks, tools and stay current on their dues.

Transportation Requirements

Ironworker apprentices must maintain a valid driver's license, be able to furnish their own transportation and be agreeable to a certain amount of travel. Many times construction sites are located outside the metropolitan area and require reliable transportation.

Textbook Requirements

This is a three year/6000 hour program of on the job training, plus no less than 204 hours of related classroom and shop training per year. Related training classes are held 4 weeks per year. There will be no work allowed for these weeks on class days. You will be required to purchase a laptop or Chromebook computer for online course instruction (\$300 est. value).

Tool Requirements

Ironworkers must provide their own hand tools as necessary for the type of work they are performing. Initial cost for the basic tools an apprentice will need is approximately \$500.

Apprentice Initiation Fee

New apprentices are required to pay a \$100.00 initiation fee upon signing your apprentice agreement.

Dues Requirements

Apprentice members are required to pay \$33.50 per month dues and be a current member in the Voluntary Death Benefit Fund. It is \$12.50 to sign up and \$7.50 per each members deaths thereafter if that member is current in the death benefit fund.

I have read and understand these requirements of this apprentice program.
